New Delta Standard Power Supplies Catalog (August 2014 Edition) is Now Available

Delta's August 2014 edition of Delta Standard Power Supplies catalog and leaflets are now available. Two new product series have been added. They are the CliQ M and Sync DIN rail power supply series. In this edition, there are more than 20 new models. As always, we are continuously improving our catalog with new features. You can now find a more comprehensive product selection guide with safety approval logos and more color coded application icons.
